Marketing Resources Kit

Templates, standards, and campaigns for shop growth

Purpose

Operational marketing resources that complement the Customer Service Operations Manual (Chapters 14, 24–26). Use for social media, referrals, service one-pagers, and email campaigns.

Service one-pagers

Create one PDF per service using branded theme. Each one-pager includes:

Section	Content
Headline	Primary benefit (protection, style, clarity, etc.)
What it is	3–4 sentences, plain language
Who it's for	Vehicle types and use cases
Packages	Good / better / best from pricing guides
Process	Intake → install → delivery timeline
Warranty	Summary + link to full policy
CTA	Phone, website, book consultation

Source pricing tables from: ppf-pricing-guide, tint-pricing-guide, wrap-pricing-guide, coating-pricing-guide, detailing-pricing-guide

Social media templates

Before / after post

- Image: split or swipe — before left, after right
- Caption: vehicle YMM, service performed, one customer benefit line
- Hashtags: 3–5 local + 3 service-specific
- CTA: "DM us for a quote on your [vehicle]"

Education post

- Carousel: 3–5 slides explaining one concept (VLT, self-healing, hydrophobic, etc.)
- Pull facts from installation manual intro chapters

Review spotlight

- Screenshot review (with permission)
- Thank customer by first name
- Tag shop location

Posting cadence: Minimum 3× per week; 1 education, 1 project, 1 trust/review.

Email templates

Extract and customize from Customer Service Manual Chapter 16:

Template	Trigger
Inquiry response	Within 1 hour of form submit
Estimate follow-up	48 hours after estimate sent
Appointment reminder	24 hours before drop-off
In-service update	Per communication frequency standard
Delivery thank-you	Same day as pickup
Review request	24 hours post-delivery
Warranty check-in	12 months

Vehicle photography standards

Per CS Manual Chapter 26 — minimum for every completed job:

- ☐ 4 exterior angles in consistent lighting
 - ☐ 2 detail shots (edges, finish, texture)
 - ☐ Before photos when applicable
 - ☐ No license plates visible unless customer consents
 - ☐ Photo release on file before marketing use (`photo-release-consent`)
-

Referral program

Use **Referral Partner Agreement** for B2B (dealers, detailers, tint shops).

Customer referral script (CS Manual):

"If you know anyone else who'd love this level of protection, send them our way — we take great care of referrals."

Track lead source in CRM: Referral — Customer (Name).

Print & local marketing

Asset	Spec
Business card	Logo, phone, website, 1 service line
Leave-behind card	QR to gallery + quote form
Bay poster	QC standards + warranty summary
Vehicle wrap on shop truck	Rolling portfolio — photograph every angle

Campaign calendar (quarterly)

Month	Theme	Content
Q1	New year protection	PPF + ceramic packages
Q2	Summer tint	Heat rejection, UV
Q3	Back to school / fleet	Commercial outreach
Q4	Gift cards + holiday	Detailing + coating gifts
