SOP-701 — Collecting Payments

Forge Standard Operating Procedures v1.0

Section 8: Business Operations

Purpose

Collect final payment securely and document for accounting.

Scope

At vehicle pickup or per approved billing terms.

Procedure

Payment collection

1. Verify balance due against invoice.
2. Accept approved payment methods — card, cash, check, fleet account.
3. Process card present when possible; no card numbers over SMS.

Receipt & close

1. Issue receipt; customer copy and shop copy.
2. CRM payment status → paid; attach transaction ID.
3. Do not release keys until payment clears (except pre-approved accounts).

Quality standards

- ☐ Payment recorded before keys released — 100%
- ☐ Daily cash reconciliation matches POS
