SOP-803 — Google Review Process

Forge Standard Operating Procedures v1.0

Section 9: Marketing

Purpose

Grow Google reputation through ethical review generation and professional responses.

Scope

Customer service and management.

Procedure

Generation

1. Follow SOP-705 for satisfied customers.
2. QR code at delivery desk links to Google review page.

Response protocol

1. Respond to all reviews within 48 hours.
2. Positive: thank customer, mention team, invite return.
3. Negative: apologize, take offline, provide manager contact — never argue publicly.
4. Escalate 1-2 star reviews to SOP-902 immediately.

Quality standards

- ☐ Average rating maintained ≥ 4.7
- ☐ 100% review response rate
