Homepage essentials

Above the fold

1. Hero: primary service photo + headline + subhead
2. Primary CTA: **Get a Quote** or **Book Consultation**
3. Phone number visible on mobile

Trust block

1. Google review score and count
2. Years in business / vehicles protected
3. Manufacturer certifications or film brands used

Services grid

1. One card per service line with photo and 2-line description
2. Each card links to dedicated service page

Social proof

1. 3–6 recent project photos
2. Link to full gallery

Lead capture

Channel	Tool	Integration
Contact form	Website form → CRM	Auto-tag lead source
Phone	Tracked number	Log in CRM within 1 hour
Text / DM	Business number	Same scripts as CS manual
Walk-in	Paper or tablet intake	Vehicle inspection form

Required form fields: Name, phone, email, vehicle YMM, service interest, how they heard about you.

SEO basics

- ☐ Title tag per page: `[Service] in [City] | [Shop Name]`
 - ☐ Meta description: 150–160 characters with service + location + CTA
 - ☐ Google Business Profile — complete, photos updated weekly
 - ☐ Schema markup: LocalBusiness + Service
 - ☐ Alt text on all gallery images: year, make, service, result
-

Document library portal

Host or link to **library/index.html** — single page listing all branded PDFs:

- ☐ Operations manuals (staff login or public summary pages)
 - ☐ Customer aftercare and warranty policy
 - ☐ Training course descriptions (not full workbooks — enrollment required)
-

Policies (required pages)

Link in footer:

Policy	Document
Terms of Service	terms-of-service
Privacy Policy	privacy-policy
Warranty Policy	warranty-policy
Refund & Cancellation	refund-cancellation-policy

Launch checklist

- ☐ Domain and SSL configured
 - ☐ Mobile responsive test on iOS and Android
 - ☐ Contact form delivers to CRM/email
 - ☐ Analytics installed (GA4 or equivalent)
 - ☐ Google Business Profile linked
 - ☐ All service pages live with at least 3 photos each
 - ☐ Warranty and aftercare PDFs linked from Resources page
-
