Delivery Walkthrough SOP

Customer pickup and aftercare education

Purpose

Complete the customer experience, educate on aftercare, and request reviews.

Procedure

Step 1 — Vehicle staging

1. Clean exterior for presentation (quick wipe if needed)
2. Position in delivery area with good lighting

Step 2 — Walkaround with customer

1. Tour vehicle together — point out completed work and best details
2. Allow customer reaction before talking
3. Address any questions before leaving the vehicle

Step 3 — Aftercare education

1. Provide **Customer Aftercare Card** for their service type
2. Review wash hold time, cure periods, and what to avoid
3. Explain warranty coverage and registration (if applicable)

Step 4 — Close

1. Provide warranty certificate if applicable
2. Request review (verbal + text link within 24 hours)
3. Thank customer; confirm follow-up call schedule
