Trademark Usage Policy

Guidelines for authorized use of company marks

Effective date: [EFFECTIVE DATE]

Applies to: Employees, contractors, licensees, referral partners, and authorized affiliates

1. Purpose

This Trademark Usage Policy ("Policy") protects the integrity of marks owned or controlled by **[COMPANY LEGAL NAME]** ("Company"), including word marks, logos, taglines, and trade dress (collectively, "Marks").

Unauthorized use dilutes brand value and may violate law. This Policy defines permitted and prohibited uses.

2. Owned marks (customize for your organization)

Mark	Registration status	Typical use
[PRIMARY WORD MARK]	☐ USPTO ☐ Common law	Services, marketing
[LOGO]	☐ USPTO ☐ Common law	Signage, web, print
[PROGRAM NAME]	☐ USPTO ☐ Common law	Training, certification
[TAGLINE]	☐ USPTO ☐ Common law	Advertising

Update this table with your actual marks and registration numbers.

3. Authorized use

You may use Marks only if:

- ☐ You have written authorization (employment, license, partner agreement, or brand guidelines)
 - ☐ Use follows the Brand Style Guide (colors, clear space, minimum size)
 - ☐ Use is truthful and does not imply endorsement beyond your actual relationship
 - ☐ Marks are not altered, distorted, or combined with other elements without approval
-

4. Prohibited use

Without prior written consent, you may **not**:

- ☐ Use Marks as part of your own company name or domain name
 - ☐ Use Marks on products or services not provided or approved by Company
 - ☐ Use Marks in comparative advertising that disparages Company
 - ☐ Register Marks or confusingly similar marks with any registry
 - ☐ Remove trademark symbols (™, ®) where required by style guide
 - ☐ Use Marks after termination of your agreement with Company
-

5. Co-branding & white-label

Licensed partners using white-label materials must follow the **White-Label Agreement** and submit samples for approval before public distribution.

Referral partners may use approved co-branded assets only — not standalone Marks as if partner is Company.

6. Social media & digital

- ☐ Use approved profile images and cover assets only

- ☐ Do not register social handles containing Company Marks without approval
 - ☐ Tag official accounts: [LIST HANDLES]
 - ☐ Employee personal accounts: clarify views are your own, not Company's
-

7. Print & merchandise

Business cards, uniforms, vehicle wraps, and promotional items bearing Marks require approval from **[BRAND CONTACT EMAIL]**.

8. Enforcement

Company may revoke authorization immediately for misuse. Company reserves all rights to pursue legal remedies for infringement or unfair competition.

Report unauthorized use to: **[LEGAL / BRAND EMAIL]**
