# SOP-701 — Collecting Payments

---

Forge Standard Operating Procedures v1.0

Section 8: Business Operations

---

## Purpose

---

Collect final payment securely and document for accounting.

## Scope

---

At vehicle pickup or per approved billing terms.

## Procedure

---

### Payment collection

1. Verify balance due against invoice.
2. Accept approved payment methods — card, cash, check, fleet account.
3. Process card present when possible; no card numbers over SMS.

## Receipt & close

1. Issue receipt; customer copy and shop copy.
2. CRM payment status → paid; attach transaction ID.
3. Do not release keys until payment clears (except pre-approved accounts).

## Quality standards

- ☐ Payment recorded before keys released — 100%
- ☐ Daily cash reconciliation matches POS
