SOP-801 — Social Media Posting

Forge Standard Operating Procedures v1.0

Section 9: Marketing

Purpose

Publish on-brand content that showcases work without exposing customer privacy.

Scope

Marketing manager or authorized staff only.

Procedure

Content approval

1. Verify photo release signed.
2. Apply brand filters and templates from Marketing Resources Kit.
3. Caption: service performed, film brand (if allowed), shop tagline, CTA.

Publishing cadence

- 1. Minimum 3 posts per week across primary platforms.
- 2. Rotate: finished work, process reels, education, team.
- 3. Respond to comments and DMs within 4 business hours — route leads to SOP-101.

Quality standards

- ☐ 100% posts use approved brand assets
- ☐ Zero customer plates visible without blur
