Forge Standard Operating Procedures v1.0

Section 9: Marketing

Purpose

Produce short-form video that demonstrates expertise and drives inquiries.

Scope

Marketing and senior installers with media training.

Procedure

Production

1. Plan shot list: hook (3 sec), process, reveal.
2. Stable mount or gimbal; shop audio off or licensed music only.
3. No customer faces or plates without release.

Post-production

1. Brand intro/outro template; logo watermark.
2. Length: 15–60 sec Reels/TikTok; 2–5 min YouTube process videos.
3. Upload native to each platform — no cross-posted watermarks.

Quality standards

- ☐ Minimum 2 video posts per month
- ☐ All videos reviewed by manager before publish
