SOP-903 — Accident/Damage Claims

Forge Standard Operating Procedures v1.0

Section 10: Emergency Procedures

Purpose

Process insurance and liability claims when shop causes vehicle damage.

Scope

Management only. Legal counsel for severe incidents.

Procedure

Immediate actions

1. Secure vehicle; preserve scene; photos from all angles.
2. Complete internal incident report within 24 hours.
3. Do not repair damage without customer authorization documented.

Insurance notification

1. Notify shop insurance carrier per policy requirements.
2. Provide customer with insurance contact and claim number.
3. Cooperate with adjuster; supply inspection photos and work orders.

Closure

1. Track claim to resolution in CRM.
2. Post-incident review: root cause and SOP update if systemic.

Quality standards

- ☐ Incident report filed within 24 hours
- ☐ Customer updated every 48 hours until resolved

Safety notes

Injuries: call 911 first. OSHA reportable incidents documented per state law.
